

Spring Cleanup Program

Each April, the City's Street Division crews conduct a two-week Spring Cleanup Program independent of the regular refuse disposal service, Onyx. It is offered to promote fire safety and help residents who pay an additional \$3 monthly fee on their utility bills (businesses are not eligible) dispose of items that are difficult to discard.

The home truck drop-offs have been discontinued.

Homeowners in the following areas do not pay the fee and are not eligible for this service (check your utility bill to confirm): Royal Fox Townhouses, Whittington Crse., Cumberland Green, Dunham Place Commons, Delnor Townhouses, Viewpointe, Willowgate, Wildrose Townhouses, Auburn & Benham Ct. in the Timbers, Oak Crest Townhouses, 1320-1370 Brook St., and 33-305 N. 15th St.

Garbage cans/containers used for Spring Cleanup items should be marked "Do Not Throw the Can Away." We cannot retrieve cans once they have been collected with Spring Clean-up materials.

The following materials will **NOT** be accepted:

- * **Household Refuse** (debris collected weekly by Onyx) - keep Spring Cleanup items separate from regular garbage.
- * **Household Hazardous Waste** (chemicals, pesticides, paint) - drop off at Naperville Fire Stn. #4, Brookdale & Rte. 59; 9 a.m.-3 p.m., Sat. & Sun.
- * **Yard Waste** (grass, leaves, brush, garden waste, sod)
- * **Tires** - for disposal options call the IEPA at 217-785-8604.
- * **Appliances** - set out for weekly collection with a sticker.
- * **Contractor Construction Waste** (doors, windows, large amount of lumber, masonry, drywall, siding, roofing materials) - make special arrangements with a refuse hauler.
